NOTED EDUCATORS AT FUNERAL OF JANITOR
CINCINNATI, Nov. 13.—Breaking a time-honored rule of the University of Cincinnati, unusual honors were paid to the memory of Joseph Frey, for a quarter of a century janitor of that institution, at the latter's funeral, which was held in the university chapel. Never before had a funeral been held at the institution, though professors, students and scores of others connected with the university had died during the years of its existence. At the obsequies, President Dabney of the university delivered a funeral oration, extolling the virtues of the dead janitor, and the pallbearers were selected from among the student body. Many former students came from distant points and were among the mourners.

CHAMP CLARK STILL SEES HOPE FOR DEMOCRATS
CHICAGO, Nov. 13.—Congressman Champ Clark of Missouri, in a speech here today, declared he had no doubt that the next congress would be Democratic. He sharply criticized the Aldrich tariff bill and commented on the Cannon policies, saying: "As a political issue, 'Uncle Joe' Cannon is the best we Democrats have, next to the Aldrich tariff."

A SALE OF UNUSUAL IMPORT
Over 600 of the New Tailor Made Suits and the New Dresses
AT ABOUT ONE-HALF PRICE

Unusual and astounding as this statement may seem, it hardly conveys the true import nor does justice to the exceptional value and style giving feature of this Great Sale. How a certain eastern manufacturer, whose name we are not at liberty to disclose owing to the fact that he has recently sold to several houses in this city the very same styles at vastly more than we have paid, sacrificed his entire stock to us at little more than 50c on the dollar, is not of particular interest to you—but suffice to say that when this sale opens Monday it offers you untold advantages of securing the most beautiful suits and dresses—models that embrace every style requirement.
